## Book Club Meeting

**Monday, february 26th at 6:00pm**

Join us in discussing this month's selection of "I Am Malala: How One Girl Stood Up for Education and Changed the World" by Malala Yousafzai.

When the Taliban took control, Malala Yousafzai refused to be silenced and fought for the right to an education. When she was fifteen, she was shot in the head at point-blank range while riding the bus home from school and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the youngest-ever Nobel Peace Prize laureate.
