Book Club

Monday, September 25th at 7:00pm

Join us in discussing this month's book club selection of "The Last Painting of Sara De Vos" by Dominic Smith.

"Written in prose so clear that we absorb its images as if by mind meld, "The Last Painting" is gorgeous storytelling: wry, playful, and utterly alive, with an almost tactile awareness of the emotional contours of the human heart. Vividly detailed, acutely sensitive to stratifications of gender and class, it's fiction that keeps you up at night - first because you're barreling through the book, then because you've slowed your pace to a crawl, savoring the suspense." - Boston Globe

"The Allagash- New England's Wild River"

Narrated by author and humorist Tim Caverley; the show includes music as well as scenic and historic photos from our 'northern forest.' Spectators will canoe the world-famous river, discover forgotten logging history, and learn about Native American archaeology. Hear first-hand about the lore, legends, and characters that Tim experienced during his 32-years while a Maine Park Ranger. After the program Tim's books will be available for purchasing and signing.
